FOR IMMEDIATE RELEASE:

• **Nomi Levy named Zamler and Arekojedores Coordinator for SaveTheMusic.com**

STM-007 • 03-17-2002

It is with great pleasure we inform you we have just named Nomi Levy, the well known international community activist and librarian as our "World Coordinator for Zamlers and Arekojedores"

Under her guidance and given her extensive worldwide contact network we expect to invigorated even more our efforts to find and bring to San Diego as much Jewish music as we can locate.

Given her special closeness to Sephardic music we expect that, under her leadership, our Ladino collection will receive the special attention it deserves.

In addition, Mrs. Levi's extensive knowledge and practice in library cataloging will certainly help us organize our own catalog which is now reaching 8500 records collected from all over the world through our existing, but still small, network of "Zamlers".

If you want to join Nomi's network of "Zamlers" and Arekojedores email her at findthemusic@savethemusic.com

If you have old Jewish records you would like to send to us please send them to
